

Position Title: PT TeenTech and KidsCode Instructors

Program Description: The Computer Mentors Group TeenTech/KidsCode programs are seeking a part time mentor/instructor to assist with our mission of engaging elementary and school youth with discovery learning in Computer Science and the introduction of Sciences, Technology, Engineering, Arts, and Mathematics (STEAM), as students shape their interest to pursue future degrees and careers. The position is part-time and runs year-around and summer programming.

Role: The individual will act as a coordinator, webmaster, and technology mentor to assist the TeenTech and KidsCode program in the areas of:

- Instructor/Mentor-Present to School-Age Youth
- Coding and Programming
- Website Development Training
- Technology Projects and Exercises

Responsibilities & Duties:

- Host coding and technology virtual and in-person training sessions using Zoom
- Sustain positive relationships with partner facilities and their representatives.
- Work closely with Teen Tech and KidsCode Managers
- Work closely with Program Director and Program Managers to facilitate afterschool and/or summer programs

Compensation & Hours

- Up to \$17/hr.
- Midday and essential times from 1:30 p.m. to 8:00 p.m. Monday through Thursday – afterschool
- Hours will vary for summer program
- Background check required

Qualifications:

- Technology savvy
- Excellent communication skills
- Ability to engage community members in a dialogue that promotes the organization's messaging
- Attention to detail
- Must be able to thrive in an almost constantly changing environment
- Some coding experiences a huge plus
- Must LOVE to work with children and youth

How To Apply: Send resume and cover letter to Computer Mentors, Human Resources via E-mail to: Nyjel Dukes, NDukes@computermentors.org.
